Dick Walker (405) 745-3602 or Rwalker96@cox.net
Scott Hetzel (405) 740-3421 or Turboboy@cox.net

RULES

The rules are simple; Fords must be Ford powered and Buick, Pontiac, Oldsmobile, Cadillac, and GMC Trucks must be GM Corporate type powered. No dragsters or altered, Door slammers only. No cubic inch limit and any combination of power adders are allowed. All cars will be required to run time trials, as qualifying placement will be determined by your fastest ET. Upon completion of time trials, cars will be assigned a qualifying number and will race the same number qualifier from the other Team in order of slowest to fastest.

The number of races will be determined by the number of cars in attendance, in plain English, if there are 75 Fords and 70 Buick's there will be 70 races. All races will be heads up regardless of qualifying time, if your car is slower than your opponent, you didn't bring enough car! No excuses and no dial-ins, first car to the finish line wins!

Each Win counts as one point for your Team and the Team with the highest total Wins.

ALL CARS WILL BE TECH CHECKED!! TRACK&NHRA Rules WILL BE ENFORCED!!
DON'T FORGET ABOUT YOUR ROLL BARS, HELMETS, FIREJACKETS,
DRIVERS MUST WEAR PANTS!

****FIRST PRIZE****

First prize is to be shared by all participants of the Winning Team. BRAGGING RIGHTS FOR THE NEXT YEAR!! Since all races will carry the same weight in scoring and we don't know how many cars will show up, we can't award trophies for wins. We will have a presentation for the Quickest 10 Qualifying cars from each Team.

Directions from OKC

I-35 to exit 108a, Hwy 9 East in Norman 4 mi, to Hwy 77 South, past downtown Noble 2 mi, remain South on Hwy 77 to 2 miles and turn right and precede 1/2 mi.
